

News about students, alumni, teachers, and more, from The Winchendon School

Senior art exhibit staged in new Faculty Hall

On Friday, March 27, the works of Winchendon's own Class of 2015 artists went on display in the first-ever "gallery opening" in the new dining hall. To celebrate the event, ice cream was served to all who attended. Thank you to teacher Joanna Draugsvold for helping organize the showing.

Scholarship opportunity announced by author

Justin Muchnick, the author of *Boarding School Survival Guide*, has announced that he is offering two \$1,000 scholarships toward boarding school tuition.

The deadline for application is June 30, 2015.

eProgress Newsletter - April 2015

Dear Mr. and Mrs. Smith,

Willkommen, welcome, happy to see you! At Day One of Revisit Days 2015 on April 2, The Winchendon School treated future students and families to a special performance by the Winch Singers, welcoming them in style with "Willkommen," a song from the musical *Cabaret*. And that's exactly what we do here, whether it's experiences like that for our guests and visitors, the unique learning opportunities offered students, or the regular updates we share with you, like this latest edition of *eProgress* -- we want to give you our best, from start to finish. While we can't actually bring you "live" music and choreography on this email page (although, who knows, with the rapid advances in computer technology here at Winchendon, we may soon be able to), we can certainly provide the links that take you to the stories, sounds, and videos that live elsewhere on the Winchendon website, so that you can keep informed on all the news and happenings here at The Winchendon School.

This edition of *eProgress*, your digital newsletter, includes stories on the latest service learning trips, our winning athletics program, a scholarship opportunity from the Boarding School Survival Guide, fun times at Winter Carnival, the robotics program, record-breaking results at this year's Ritchie Hockey Scholarship fundraiser, and more!

eProgress, as you know, is our way of keeping in touch with you. We encourage you to read the articles, and use the links to get more information or see our videos on Youtube. And feel free to let us know how we're doing. Drop us a note, email us, or give us a call to share your own news with the greater Winchendon School community.

5th annual Forward In Health service learning opportunity

Winchendon team returns from 5th annual Haiti trip

Winchendon School students Sophie Frushell '17 and Sarah Halpert '17 with some of the youngsters from Haiti

Spring break was a busy one this year for the Winchendon students who traveled to Haiti for another service learning trip in support of the [Forward In Health](#) clinic. This year's is the fifth one since Winchendon began its collaboration with Forward in Health.

It's always an amazing experience for all involved. This year, in addition to helping out with healthcare responsibilities at the clinic, the students also spent time at Mother Teresa's Sisters of Charity orphanage, painted a classroom, engaged in arts and crafts with local youngsters, visited a waterfall that produces electricity for the surrounding area, and talked to the Haitian youth about the importance of staying in school. Winchendon teacher Fiona Byrne accompanied the students on the trip. [Forward in Health](#) was founded by John Mulqueen, M.D., and his wife Paula Mulqueen, who are the parents of current Winchendon student Conor Mulqueen '15.
